

# HIRING: WEBSITE DESIGNER

## About Us

Most small businesses lack the time and expertise to build marketing that gets results. At Mountaintop Web Design, we craft digital marketing solutions so our clients can get more leads that turn into customers.

We founded Mountaintop Web Design because we were tired of seeing people wasting money on bad marketing. We do digital marketing the right way by providing top tier marketing services combined with amazing customer service, integrity, and an emphasis on bringing our clients a return on their investment.

We focus on delivering solutions that produce tangible results for our clients.

Do you thrive in a fast paced & collaborative environment, love wearing multiple hats, and want to be on the ground floor of a growing company? If so, keep reading.
